Welcome to Kidstop—where kids truly get to “choose their own adventure” every day! Our program is built around choice and engagement, with 45-minute rotations where kids can pick from games, crafts, group programs, and more. Think of it as a mini adventures—on repeat—all summer long. There’s always something fun happening, and no two days feel the same!

Thank you for choosing Kidstop to care for your precious jewels this summer and for trusting us to be part of their days. We don’t take that lightly—and we’re ready to make this a summer they’ll be talking about long after it ends.

I’m so excited to welcome both new and returning families! I have an incredible team of staff who each bring their own personality, energy, and magic to the program, and together we’re committed to creating a fun, safe, and engaging space where every child feels like they belong.

For those I haven’t had the chance to meet yet, my name is Liz, and I’ve been the Site Manager here for the past few months. While I may be new at Oak Hill, I’m definitely not new to KIDSTOP—I previously spent many years with the program, as Site Manager here at Oak Ridge in Sartell. Being back with KIDSTOP/Boys and Girls Club truly feels like coming home.

We’re looking forward to a summer full of laughter, connection, a little bit of chaos (the fun kind!), and tons of unforgettable moments. Please don’t hesitate to reach out, say hello, or ask questions—I’m always happy to connect!
